The Form must be sent to Il Ponte at least 24 hours before the auction starts - by fax to +39 02.72022083 or by sending an email in pdf format to info@ponteonline.com (or to the email address of the relevant department).
If a bidder wishes to submit one or more bids in writing as the representative of a third party, he must present a proxy signed by the principal with an attached copy of the principal's identity document and tax code; if the principal is a company, the proxy must be signed by the legal representative thereof or by an agent with signing authority, whose identity document and tax code must be attached to the proxy. In any case, Il Ponte - Casa d'Aste Srl has the right to prevent the representative from participating in the auction when, at its sole discretion, it deems that the power of representation has not sufficiently been demonstrated.
If the lot is awarded, the buyer must pay Il Ponte - Casa d'Aste s.r.l. the hammer price of the lot, i.e. the price at which the lot is awarded at auction by the auctioneer, in addition to the buyer's premium calculated on the hammer price of each lot, as follows:

over € 2.001=28% (VAT incl.)
in addition to any further amount provided for by the General Conditions of Sale.
No written bids will be accepted for an unspecified or unlimited amount for a given lot, nor bids subject "to inspection" as an attached condition, nor bids for unlimited amounts, nor bids without a specified amount. Bids are accepted only in amounts rounded to the nearest ten. Il Ponte - Casa d'Aste Srl will give effect only to bids equal to or greater than approximately 80% of the minimum estimate indicated in the catalogue for the lot being sold. Il Ponte - Casa d'Aste Srl, in allowing participants to raise bids, will take into account both the Reserve Price and the other bids, so as to attempt to award the lot for which a written bid was submitted at the lowest possible Hammer Price.
Il Ponte - Casa d'Aste Srl is not responsible for any errors made in filling out this form. Before sending the Form to Il Ponte, it is necessary to verify that the lot description indicated therein corresponds to the object desired for purchase; in particular, it is necessary to verify that the auction catalogue number and the lot description correspond. In the case of discrepancy between lot number and lot description, Il Ponte - Casa d'Aste Srl will make the bid by referring exclusively to the lot number.
